Mentor Ohio, Tuesday, December 18, 2018 --The Lake County Community Network is pleased to announce its new location! To better serve the needs of the Lake County community, The Lake County Community Network will be moving to new office space effective January 3, 2019.

The Lake County Community Network partners with churches and other community resources to assist those in critical financial need by providing funds, making referrals and education. The Lake County Community Network shares in providing help to needy families and individuals in Lake County, Ohio. We communicate with other public assistance programs to provide referrals to agencies most likely to respond and provide emergency assistance when other agencies cannot. We share with other public agencies in communicating information to pastors and church leaders and provide information to churches about community help lines. All our clients are served with the utmost in confidentiality.

Director Melina Gilbert is pleased to be able to serve the community in a larger office space conveniently accessed from both Route 90 and Route 2 and directly on a Lake Tran bus line. There is an elevator to our office on the second floor to ensure access to all those seeking assistance. New with this space as well is ample parking adjacent to the building.

Our new location will be at **7298 Mentor Avenue, Mentor, Ohio 44060**. The building is directly across from the Mentor Points East shopping plaza.
